

## St Joseph's RC Primary School

# School Fund : Mission Statement

It is our aim to use all funds donated to our school or received from fund raising activities to further the inclusive character of our school and to strengthen its distinctively Catholic ethos.

To achieve these aims, school funds will be used to:

- Subsidise school trips and out of school activities
- Purchase resources
- Extra-curricular activities such as singing/dancing lessons and sports events
- Entrance fees to various competitions
- Music - exam fees/concerts
- Small annual gifts for lunchtime staff
- Gifts/flowers for volunteers/staff and leavers
- Refreshments for governors meetings
- Tea, coffee and biscuits may be provided at meetings with visitors to the school, e.g. parents, staff from other schools, inspectors and other officials
- Celebration lunches of staff with children

*and in every way possible make all such activities accessible to all children.*

School funds will also be used to support different charities throughout the year, enabling the children to experience the joy of giving.
