Some online Dangers

- Cyber Bulling—nasty text messages and emails
- Stranger Danger—Some people, who we might talk to online are strangers.
- Content—some material we see or hear online might upset us.

If people online are unkind or worry me:

I should:

- Tell an adult I trust straight away.
- Stay calm.
- Report anything that worries me.
- Keep all messages as evidence.
- Block and delete the person.

I should not:

- Keep worries to myself.
- Be unkind or nasty back.
- Get angry or upset.
- Allow the person to continue being unkind.
- Delete the messages.

When we communicate with others on the Internet we always THINK first.

T - is it true?
H - is it helpful?
I - is it inspiring?
N - is it necessary?
K - is it kind?

Social Media

We are responsible when we use social media sites outside school and realise they have age restrictions to keep us safe.

St. Joseph's RC Primary School

Children's E-Safety Policy

Staying Safe Online

Nov 2016

What is E-Safety?

- E-Safety means electronic safety.
- E-Safety is important because it helps to keep children safe when they use the Internet.

The Internet is great because:

- You can learn lots of new things.
- You can play games and have fun.
- It can help you with your school work.
- You can stay in touch with friends and family.

Who is responsible for E-Safety in our school?

- Mrs. Tomkins (ICT Co-ordinator)
- All teachers and adults

To stay safe we will:

- Always ask permission before using the Internet.
- We only use websites my teacher has chosen.
- We only use our school email program to email people our teachers asks us to.
- Keep my personal information private.
- Be polite and show respect when communicating with others.
- We never arrange to meet anyone we don't know.
- Always tell an adult when I feel unsafe.

To keep us safe, our school:

- Takes online safety seriously.
- Listens to us and offers support.
- Uses anti-virus software.
- Uses Internet filters.
- Uses safe search on Google.

When we are online we are SMART

S - Safe
Keep personal information safe.

M - Meeting
Do not agree to meet anybody from the Internet.

A - Accepting
Only accept messages or emails from people you know.

R - Reliable
Do not always trust information on the Internet; it may not be true.

T - Tell
If something or someone upsets you tell an adult.
